Dear Mr. Daugherty:

Enclosed with this letter you will find copies of the required forms to be filed with this agency in order to mine in Utah. As we discussed over the phone, you should file the "Declaration of Exemption" immediately, and the Mining and Reclamation Plan, plus the Notice of Intention as soon as possible. When you send in the plan and notice, attach a short note which will explain your need for us to rush the review.

If you have any further questions, call me or Ron Daniels at this office.

Sincerely,

BRIAN W. BUCK  
ENGINEERING GEOLOGIST
